

Fulda University of Applied Sciences covers a broad spectrum of academic and professional education

The Departments of

- Applied Computer Sciences
- Business Administration
- Electrical Engineering & Information Technology
- Food Technology
- Nutritional Food & Consumer Science
- Social Work
- Nursing & Health Sciences
- Social & Cultural Studies

teach numerous first-degree programmes, graduate programmes and other educational offerings.

Campus

Nearly all of the study programmes lead to an international bachelor's or master's degree, and all are based on the European Credit Transfer System (ECTS).

Statistics:

- 4,600 Students
- 32 Degree Programmes
- 230 Teaching and Administration Staff

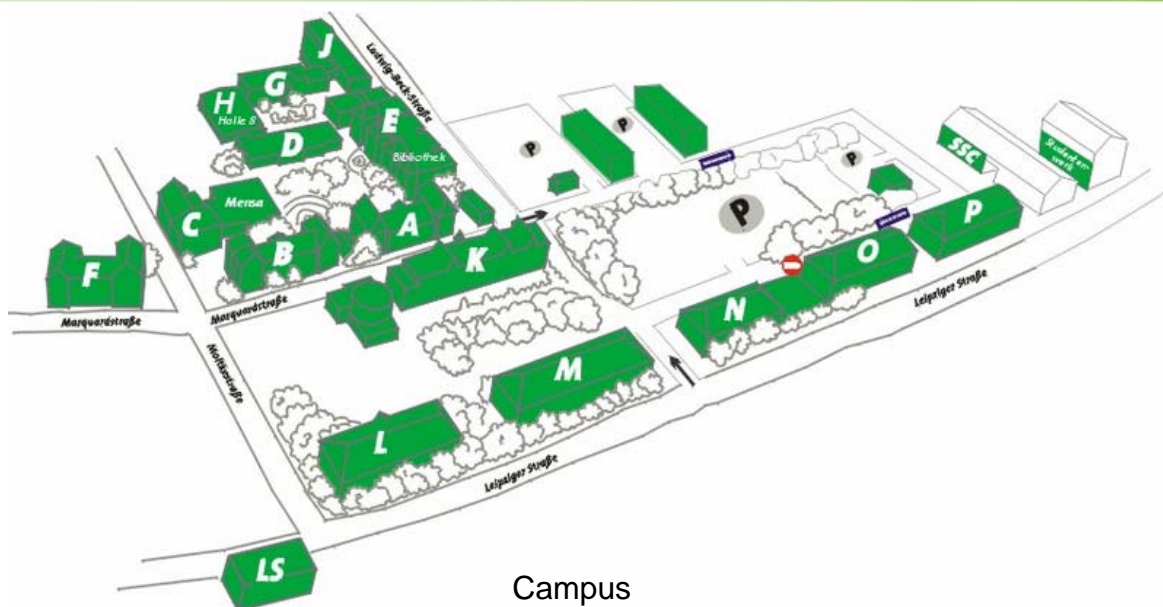

10% of the students come from abroad. The number of international students has grown rapidly, especially in international degree programmes such as “Intercultural Communication and European Studies”, “International Management” or “eBusiness”.

Fulda is located in the centre of Germany. Travel connections are ideal.

Fulda is located on two autobahns and is a regular stop in the German ICE high-speed train network.

Frankfurt's Rhine-Main International Airport is only about an hour away by car or train.

Campus

The University has a pleasant campus, with attractive buildings grouped around a central plaza. Everything is just minutes away from everything else. The city centre is in walking distance, about 20 minutes away.
